HANDS-FREE SLOW JUICER AUTO Chef

Professional KCS-8006

Kuvings®

World's Largest-Capacity Hands-Free Auto Hopper
LARGEST-CAPACITY 4,300CC AUTO HOPPER

Hands-Free 3,000cc Auto Hopper

Load ingredients once and enjoy hands-free juicing. Save time by multitasking while the machine works. Easy-grip handle for convenient attachment and removal.

1,300cc Expansion Hopper

Includes a 1,300cc expansion hopper attachment up to 4,300cc for high-volume juicing.

Preserve Nature's Freshness with
ADVANCED TECHNOLOGY

Auto-Cutting Technology

Dual STS cutting blades automatically slice ingredients and feed them efficiently into the juicing system, minimizing oxidation for fresher, nutrient-rich juice.

Cold Press Juicing Technology

Gently extracts juice while preserving the natural taste, texture, nutrients, and freshness of the ingredients.

Safe and user-friendly
CONVENIENT FEATURES

500ml Large-Capacity Drum

Load ingredients once and enjoy hands-free juicing. Save time by multitasking while the machine works. Easy-grip handle for convenient attachment and removal.

Easy-clean strainer with special rotation cleaning Brush

A specially designed brush cleans both the inside and outside of the strainer at the same time for more thorough and efficient washing.
