HAPPY LINK

Bring Happiness - Link People

Happy Link is a charitable organization for the less fortunate children. Happy Link has been established from 2013 by supporting from all Worldwide Link members in the beginning period. Through social activities to help the less fortunate children, Happy Link do hope to appease the pain, loss and blowing hope in their tiny heart.

Meanwhile, we do hope that there will have more and more people to join with Happy Link. With all our heart and hand, we hope tobe a bridge to bring the kindness people to the less fortunate children even by spiritual or material to make Happy Link become stronger enough to reach out further to help more children.
