

A Fast & High-Volume Document Scanner

Features:

- Fast, 80 ppm / 160 ipm scanning in color, grayscale and monochrome (300 dpi)
- Support document up to A3 size (308 x 432 mm)
- Robust 100-page automatic document feeder
- Daily duty cycle of up to 15,000 sheets
- Auto crop and deskew
- Latest USB3.2 Gen 1x1 connectivity for faster transmission speed
- Press and scan to cloud servers via the bundled software Button Manager V2
- Earth-friendly LED technology
- Long page scanning up to 6096mm (240")

A New Generation of A3 Production Scanner

Avision is pleased to announce its release of the high-volume document scanner with a robust 100-page auto document feeder and a blazing scanning speed of up to 80 pages per minute in Color, Grayscale, and Monochrome. Combining the ultrasonic double-feed detection capability, the AD5800 delivers exceptional feeding reliability to maximize your scanning productivity in a small unit.

A LCD Display

The AD5800 is easy to use through the clear 1.77" LCD display. By selecting your destination and pressing the "Scan" button, the scan can be done and the scanned image can be sent to your specified destination application such as e-mail, printer, or your favorable image-editing software application. Up to nine frequently used scan settings and destinations can be preset for different scanning needs.

1		iScan(Image)
2		iScan(OCR)
3		Scan To App
4		E-Mail
5		Printer

Long Document Scanning

The AD5800 provides you a convenient feature to scan long-page document up to 240" (609.6 cm). This is a cost and time-saving solution for insurance company and healthcare institutions that need to digitize insurance bills and patient's records.

Two Reading Heads Save Twice Working Time

Featuring two reading heads, the product is able to achieve two-side (front and read side) scanning in one scan, meaning the page does not need to pass through the feeder twice to save your working time.

Scan to Clouds via Button Manager V2

With the bundled software -Button Manager V2, you can scan and send the images to popular cloud servers including Google Drive, Evernote, Dropbox, SharePoint to share your documents fast and easily.

What We Have Bundled

The AD5800 comes with TWAIN and ISIS drivers, and are bundled with a suite of powerful software applications that include Avision Button Manager V2, AVScan X, Nuance PaperPort SE 14.

AD5800 A3 Document Scanner

Avision's Button Manager V2

-Completes your scan with a single step

The Button Manager V2 main screen

Button Manager V2 makes it easy for you to scan and send your image to your favorite destinations with a press one button. Now the new version comes with an innovative feature to let you scan and automatically upload the scanned document to popular cloud repositories such as Google Docs, Microsoft SharePoint, or FTP. In addition, the iScan feature allows you to insert the scanned image or recognized text after optional OCR (Optical Character Recognition) process to your text editor such as Microsoft Word to get your job done easily and quickly.

AVScan X

-The Intelligent Document Management Tool

The AVScan X main screen

Document Imaging is the very first step of Document Management. However, poor quality images can cause serious problems to later indexing or storing processes. It may increase scanning labor costs and lowers the OCR accuracy. AVScan X ensures all documents are checked and polished at the time they are scanned such that the image quality is guaranteed before they are ready to use for other purposes.

AVScan X is an intelligent scanning and electronic filing solution. AVScan X possesses distinct features that convert and index scanned information into electronic documents for easy storage and fast retrieval.

Nuance PaperPort SE14

- The Professional Choice to Organize and Share Your Documents

The PaperPort SE14 main screen

PaperPort SE 14 is Nuance's most popular scanning and document management solution, carefully designed specifically for home office use. Part traditional file cabinet, part digital-document desktop, PaperPort SE 14 is the fastest and easiest way to scan, share, search and organize your documents. Additionally, PaperPort SE 14 now delivers anytime-anywhere access to your most important files however it's convenient for you - using a PC, Mac, iPhone, iPad, or Android device.
